GOdrill[™] • Kennametal's Multi-Material Drill

The high-performance solid carbide drill tailored for very small- to medium-diameter drilling applications.

Primary Application

The all new GOdrill addresses drilling operations in a diameter range of 1–12,7mm (.0394–.5") in a broad variety of materials and applications such as fuel systems or medical components. Due to its very unique design, the GOdrill expands the advantages of modular drills into the small diameter range: high-end grades, wear-indicator coating, and new, proprietary geometries enable full utilization of the drill's tool life capacity. The GOdrill qualifies as a very cost-effective, throwaway-type tool in the given diameter range.

Features and Benefits

GOdrill Design

- Marginless design for reduced friction and heat — thus longer tool life.
- Very versatile tool works in a wide range of materials.
- Cost effective, no regrind logistics.
- No setup.
- Throw away or recycle.
- Through-coolant option down to diameter 1,5mm (.0591").

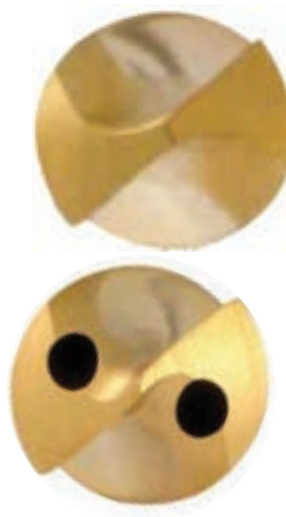

CPG Point

- Optimized gashing design for microdrilling ensures free flow of chips in the center of the drill.
- Excellent centering capabilities.
- Reduced axial forces.
- Good hole quality, roundness, and cylindricity for all materials.

KC7325[™] Grade

The grade contains a double coating:

- The multilayer, TiAlN-based coating with high hot hardness enables the drill to run at high cutting speeds as well as in MQL applications.
- A TiN top layer serves as wear indicator for easier monitoring on small drills, which can be difficult to see.
- Improved visibility of wear helps to utilize the tool's full tool life capacity.

HARVI™ 1 TE SOLID CARBIDE ENDMILL

PROPRIETARY CORE DESIGN - INCREASING TOOL STABILITY

- *Proprietary end face design - Twisted cutting edge increasing the corner stability, enabling soft cutting action even at highest ramping angles. Outstanding metal removal rates.*
- *Innovative end face design - Asymmetric divided flutes and variable helix enabling vibration dampening and unmatched feed rates.*
- *Proprietary relief - with AVF-Technology. A precision faceted eccentric relief reducing vibrations and reducing friction. For excellent cutting conditions in multiple materials.*

Part	Size	Ex. GST	Inc. GST

GODRILL™ SOLID CARBIDE DRILL

GENERAL PURPOSE DRILL FOR A WIDE RANGE OF MATERIALS & APPLICATIONS

The all new GODrill addresses drilling operations in a diameter range of 1–20mm in a broad variety of materials and applications. Due to its very unique design, the GODrill expands the advantages of modular drills into the small diameter range: high-end grades, wear-indicator coating, and new, proprietary geometries enable full utilisation of tool life capacity.

BEYOND EVOLUTION PARTING KIT

GROOVING AND CUT-OFF MADE EASY

WITH 'BEYOND EVOLUTION' FROM KENNAMETAL

The Bolts and Industrial Parting Kit includes a double ended parting blade, 10 inserts and an insertion key.

- *Proprietary Triple V*
- *Beyond Evolution is a single-sided grooving and cutoff system for deeper grooving capability than double-ended systems*
- *A proprietary "Triple V" design with top, bottom, and backside V-shaped seating in the holder pocket creates a pull-in effect for exceptionally high stability for deep grooving, face grooving, side turning, and profiling, among other applications*

Easy to use aerosol

Code: 500g 1753336

EVAPO-RUST READY TO USE

Removes rust
Super safe - non toxic
Bath application
Reusable

Code: 1L EVR1, 5L EVR5

RUST CONVERTER

Converts rust & primes
Instantly neutralises rust
In-situ application
Protects surfaces for years

Code: 250mL 3073, 1L 18418,
5L 3075, 425g Aerosol 14610

NEW PRODUCT

EVAPORUST SPRAY GEL 500g RUST REMOVER

P/N: 1753336

Evapo-Rust Spray Gel clings to surfaces to effectively remove rust on all types of mild steel and iron, without the need to soak. The powerful formulation is safe on chrome, copper, brass, aluminium, vinyl and most plastics. Evapo-Rust is non-caustic, non-flammable and contains no petroleum.

- Rust Remover
- Clings to surfaces
- Non-scrubbing
- No need to soak
- Works on all types of mild steel

\$17.93

RUST CONVERTER LONG LASTING RUST PROTECTION

CRC Rust Converter neutralises rust and transforms it to a tough black primer that binds to the surface and provides a waterproof barrier for effective long lasting rust protection.

- Ready to use – no additional mixing or chemical additives required
- One easy step – neutralises rust and converts it to an excellent tough black primer
- Instantly stops rust

Part	Size	Ex. GST	Inc. GST
3073	250mL Rust Converter	\$13.95	\$15.35
18418	1L Rust Converter	\$49.77	\$54.75

5.56 PERMASTRAW 270g THE TOOLKIT IN A CAN

P/N: 1753106

CRC 5-56 is a multi-purpose product with superior penetrating power that breaks through rust and corrosion while it clears away scale and dirt. Eliminates the need for many disassembly operations. Lubricates for smooth action, and silences annoying squeaks and squeals.

- Protects metals against corrosion and displaces moisture to help start wet engines
- A moisture eliminator – for wet equipment and barrier to prevent trouble before it starts

\$8.96

\$9.86
inc.GST

CO CONTACT CLEANER 350g PRECISION ELECTRONIC CLEANING SOLUTION

P/N: 2016

CRC CO CONTACT CLEANER is a unique, plastic safe, scientifically formulated, technically proven, stable, inert high purity cleaning solvent. Non-corrosive, non-staining, rapid complete evaporation and contains no lubricants. Contains COZOL – proprietary blend of solvents which enhances the cleaning power without damaging plastics.

- Fast evaporation
- Minimises downtime associated with “clean-in-place” cleaning methods

\$21.71

EVAPORUST LIQUID RUST REMOVER

Evapo-Rust® is a non-toxic rust remover for fast and effective restoration. The award-winning formula is specifically designed to remove rust, with no scrubbing or sanding required. It is safe, simple, and easy to use. No need for mixing, the solution is ready to use.

- Non-toxic, non-caustic & non-corrosive
- Reusable with long lasting efficacy
- No fumes or bad odours, non-flammable, no VOCs
- Will not harm unrusted steel, safe on other metals
- Will not affect plastic, PVC, Viton and non-oxide-based paints
- Powerful heavy-duty formula for even the toughest rust

RED LITHIUM GREASE HIGHLY VERSATILE GREASE

CRC Red Lithium Grease is a multi-purpose, red lithium complex grease that withstands extreme pressures and temperature ranges. Formulated with anti-oxidation, anti-rust, and anti-wear additives, it is a highly versatile grease for use in both automotive and industrial settings.

- Resists water wash out
- Long service life
- Withstands extreme pressures and temperature ranges
- Formulated with anti-oxidation, anti-rust & anti-wear additives

Part	Size	Ex. GST	Inc. GST
1753266	300g Aerosol	\$11.67	\$12.84
1753203	450g Cartridge	\$10.50	\$11.55

SOFT SEAL 300g LONG TERM PROTECTION

P/N: 3013

SOFT SEAL is a long term indoor/outdoor corrosion inhibitor for machined surfaces and assemblies subjected to long periods of storage or adverse shipping conditions. Displaces moisture and provides a transparent, amber waxy film for heavy protection of parts, equipment and machinery. SOFT SEAL provides protection from heat, humidity and corrosive atmospheres. Ideal for protecting equipment during shipping even when exposed to salt spray and other corrosive conditions.

- Seals out moisture and corrosive contaminants
- Forms a dry, transparent, amber film which is highly resistant to humidity, salt water and salt spray
- Will not attack plastic, rubber, paint or insulation material
- Easy re-application over existing film and/or clean surfaces
- Easily removes with CRC Brakleen or mineral spirits
- Temperature Range -20°C to +100°C

MOLYSLIP

NICKELTEC ANTI-SEIZE NICKEL BASED ANTI-SEIZE COMPOUND 450G

P/N: M825

Nickeltec anti-seize is a nickel based compound. Developed to protect metal parts from corrosion, galling and seizing. Protects against temps up to 1450c

- High temp resistance
- Seals against corrosion
- Reduces friction & wear
- Extreme chemical resistance steel

\$50.15 ex.GST

\$55.17 inc.GST

3222 THREADLOCKING COMPOUND THREADLOCKING COMPOUND LOW STRENGTH 50ML

P/N: 322250

Anaerobic low strength removable grade threadlocking compound for small metal screws, nuts & fasteners less than 6mm in diameter.

- Small fasteners under 6mm
- Low strength / high viscosity
- Easy disassembly
- Fixture time 20min - full cure 24 hrs

\$30.45 ex.GST

\$33.50 inc.GST

MOLYPASTE ANTI-GALL MOLYPASTE ANTI-GALL STAINLESS THREAD LUBRICANT 250G

P/N: M801

Molypaste anti-gall is a molybdenum disulphide and nickel based stainless thread lubricant. Provides a low friction coating to prevent galling and heat freeze.

- Stainless steel thread lubricant
- Molybdenum disulphide
- Prevents galling & heat freeze
- Low friction coating

\$33.15 ex.GST

\$36.47 inc.GST

3243 THREADLOCKING COMPOUND THREADLOCKING COMPOUND MEDIUM STRENGTH 50ML

P/N: 324350

Anaerobic medium strength removable grade threadlocking compound for metal screws, nuts & fasteners between 6mm and 20mm in diameter.

- Fasteners 6mm to 20mm
- Medium Strength / High Viscosity / Oil Resistant
- Easy Disassembly
- Fixture Time 10min - Full Cure 24 hrs

\$30.45 ex.GST

\$33.50 inc.GST

COPATEC ANTI-SEIZE COPATEC ANTI-SEIZE COMPOUND 500G

P/N: M804

Copatec anti-seize is a copper based anti-seize compound. Ideal for extreme corrosive environments. Remains effective at surface temps up to 1100c

- Copper & metallic particles in a bentone base
- Contains anti-oxidants & anti-corrosion inhibitors
- Resistant to acid, alkali, seawater, water & steam
- Extreme chemical resistance

\$23.70 ex.GST

\$26.07 inc.GST

3277 THREADLOCKING COMPOUND THREADLOCKING COMPOUND HIGH STRENGTH 50ML

P/N: 327750

Anaerobic high strength & oil resistant threadlocking compound for metal screws, nuts & fasteners over 25mm.

- Fasteners Over 25mm
- High Strength / High Viscosity / Oil Resistant / Permanent
- Fixture Time 30min - Full Cure 24 hrs

\$30.45 ex.GST

\$33.50 inc.GST

3406 INSTANT ADHESIVE RUBBER & PLASTIC INSTANT ADHESIVE 20ML

P/N: 340620

Instant adhesive (cyanoacrylate) surface insensitive ethyl type a.

- Very Fast Cure
- High Strength / Low Viscosity
- Fixture Time 15sec - Full Cure 24 hrs - Bonding Most Types of Plastics and Rubber. Including Viton & EPDM. Rubber to Rubber and Rubber to Metal

\$13.00 ex.GST

\$14.30 inc.GST

3290 THREADLOCKING COMPOUND THREADLOCKING COMPOUND WICKING GRADE 50ML

P/N: 329050

Anaerobic wicking (penetrating) grade threadlocking compound for sealing porous welds & castings.

- Fasteners Up to 12mm
- Medium Strength / Low Viscosity / Wicking Grade
- Fixture Time 20min - Full Cure 24 hrs

\$30.45 ex.GST

\$33.50 inc.GST

XS7701 PIPE SEALANT - HIGH PRESSURE PIPE SEALANT - HIGH PRESSURE 60ML

P/N: XS7701

A high pressure anaerobic pipe sealant, seals instantly and is resistant to most chemicals.

- Metal Pipe Threads
- Contains Teflon • Instant Low Pressure Seal - Use on Mild Steel, Stainless Steel, Aluminium, Copper and Brass - Removable with Hand Tools and Prevents Vibration Loosening.

\$26.35 ex.GST

\$28.99 inc.GST

3609 RETAINING COMPOUND RETAINING COMPOUND HIGH STRENGTH 50ML

P/N: 360950

Anaerobic low viscosity, high strength retaining compound that bonds rigid assemblies.

- Close Fitting Parts
- High Strength / Low Viscosity / Shear Strength of 3000psi
- Fixture Time 30min - Full Cure 24 hrs

\$30.45 ex.GST

\$33.50 inc.GST

TAPPING SOLUTIONS FOR YOUR EXACT REQUIREMENTS

- Engineered solutions
- Standards: ISO, DIN, ANSI
- Thread forms:

DaintreeTools

LATEST TECHNOLOGY IN LIVE CENTRES

Daintree Live Centres are built to the highest standards with premium quality heavy duty components. They are fully sealed and lubricated for life. Daintree Live Centres use premium quality heavy duty bearings. These high capacity bearings increase the range of operation of each centre.

300 Series 60° Live Centre

300 series live centres are our pipe series. These are compatible with the 60° and 90° pipe cones.

400 Series 60° Live Centre

400 Series centres are our space point centres. Allowing maximum tool access.

500 Series 60° Live Centre

500 series centres are our heavy duty range. These are a high load, heavy duty centre.

STILL CAN'T FIND THE RIGHT CENTRE FOR YOU?

If you're looking for items from our old catalogue, please contact us and we'll be happy to help you.

600 Series STD 60° Live Centre

These 600 series centres are standard point spring loaded centres designed specifically for the CNC market.

600 Series SP 60° Live Centre

These 600 series centres are space point spring loaded centres designed specifically for the CNC market.

AC-120-012-12	0-300mm Vernier Caliper Grad: 0.02mm/0.001"	\$153. ⁶⁴	\$169. ⁰⁰

COOLANT PROOF DUAL SCALE DIGITAL IP67 CALIPER ACCUD MEASURING TOOLS

- Automatic power off
- IP67 protection level
- Functions: zero point, mm/inch

Part	Size	Ex. GST	Inc. GST
AC-112-006-12	0-150 mm/0-6" Res: 0.01 mm/0.0005"	\$235. ⁴⁵	\$259. ⁰⁰
AC-112-008-12	0-200mm/0-8" Res: 0.01 mm/0.0005"	\$304. ⁵⁵	\$335. ⁰⁰
AC-112-012-12	0-300mm/0-12" Res: 0.01 mm/0.0005"	\$535. ⁴⁵	\$589. ⁰⁰

200MM FRACTIONAL IMPERIAL & METRIC DIGITAL IP54 CALIPER ACCUD MEASURING TOOLS

P/N: AC-113-008-11

Dial indicator and magnetic stand kit.

- Auto On/Off
- Made of stainless steel
- Display Modes: Fraction Imperial, Decimal Imperial & Metric

\$170.⁹¹
ex.GST

\$188.⁰⁰
inc.GST

METRIC OUTSIDE MICROMETERS ACCUD MEASURING TOOLS

- Carbide measuring faces
- Ratchet stop
- Setting standards are included with 25-50mm & 50-75mm

Part	Size	Ex. GST	Inc. GST
AC-321-001-01	0-25mm Grad: 0.01 mm Accuracy: 4 μ m	\$59. ⁰⁹	\$65. ⁰⁰
AC-321-002-01	25-50mm Grad: 0.01mm Accuracy: 4 μ m	\$62. ⁷³	\$69. ⁰⁰
AC-321-003-01	50-75mm Grad: 0.01mm Accuracy: 5 μ m	\$71. ⁸²	\$79. ⁰⁰

Professional Measuring Instruments for the Professional.

The new name in high quality precision measuring instruments that you can trust.
Each one is individually inspected and tested to ensure it meets the relevant DIN standard.
A select number are supplied with test certificates and some with individual calibration certificates.

COMPLETE RANGE OF DRILL CHUCKS AND CLAMPING TECHNOLOGY

From the smallest drill chuck to the high-tech
power operated clamping fixture

- Comprehensive clamping and gripping solutions
- Reliable partner and system supplier of choice
- Worldwide network of sales and service centers
